Grades and Study Plan

The Italian grading system works on a scale from 18 to 30. 18 is the lowest passing grade (sufficiency).

30 is the highest grade. In case of particularly outstanding exams, the professor can assign the so-called “lode” and the grade is registered as 30 cum laude (30L). Only if you pass the exam you will obtain the relevant credits (CFU - Crediti Formativi Universitari). Exams usually give 6 or 12 credits. The list of courses and educational activities in the academic course of study of a student form the so-called “Study Plan”. Every year students must complete their Study Plan online, in their Personal Area.

Please note: You can only register for exams included in your Study Plan.
